May 2020 Edition | WH&R UPDATE
TO HEALTH AND SAFETY:
The health and safety of our guests and team members remains a top priority. Over 90% of our hotels in the U.S. today are open and welcoming essential business, government, healthcare and emergency responders every night. We have a new long term, multi-faceted initiative underway to welcome travelers back including enhanced cleaning and disinfection of guest rooms and public spaces, with EPA approved disinfectants from EcoLab, easy access to COVID-19 health essentials and implementing training in coordination with the AHLA Safe Stay Advisory Council’s recommendations and industry best practices. TO WYNDHAM REWARDS MEMBERS: 
In honor of those fighting on the front lines of COVID-19, we’re offering all essential workers an instant complimentary GOLD membership upgrade. This includes truck drivers, delivery drivers, warehouse workers, construction workers, sanitation workers, grocery associates, healthcare workers, and more.
And all Wyndham Rewards members globally who are currently Gold, Platinum or Diamond will automatically have their Member Level extended through December 31, 2021. Finally, we are pausing the expiration of any Wyndham Rewards points until September 30, 2020. Terms and conditions apply. Visit www.wyndhamrewards.com/heroes for details.

TO FLEXIBLE TRAVEL:
Our policy waives cancellation or change penalties for hotel stays through June 30, 2020 with 24-hours notice. For stays after June 30, hotels will waive change penalties on 48-hours notice. You can learn more about these policies here.

TO OUR FRANCHISEES:
This is an incredibly difficult time for our thousands of franchised hotel owners. This industry is their livelihood, and they are facing financial pressures like never before. We’ve taken a number of proactive measures to help them during this period, including fee waivers and deferrals, and we’re providing them with guidance and resources to help them access new government loans wherever possible.

TO OUR COMMUNITIES:
Our hotels and our team members continue to find ways to give back to their local communities. Some are providing free or discounted rooms to doctors and nurses, donating cleaning supplies and protective equipment, or opening unused kitchens to help feed those in need.
